For Motivational Press author Sue Zbornik, it is a chance to expand her reader base and make important new connections.

Find your Happetite is a book designed to give readers the tools they need to work through their weight issues. Says Zbornik through her website, "If you eating is no longer easy and natural, or if you have problems with food, eating or weight you have likely lost touch with your true appetite or what I like to call your happetite."

Being featured at the Book Expo of America will allow Motivational Press author Sue Zbornik to reach out to many new readers.
